Information Resources
The program is to be commended for assertively addressing the concerns about the library raised in the last VTR and in subsequent annual reports. It is clear that the program is moving forward, within established university procedures, to improve access to the collection for students and faculty. However, this matter is likely to be of interest to the next visiting team and should be thoroughly addressed in the next APR.

Condition 12.26 Building Economics and Cost Control
Satisfied, no further reporting required\(^7\)

Condition 12.27 Detailed Design Development
Satisfied, no further reporting required\(^8\) Nevertheless, the program is advised that area is likely to be of interest to the next visiting team and the program's initiatives in this area should be thoroughly documented and addressed in the next APR.

Condition 12.31 Legal Context of Architectural Practice
Satisfied, no further reporting required\(^9\) Nevertheless, the program is advised that area is likely to be of interest to the next visiting team and the program's initiatives in this area should be thoroughly documented and addressed in the next APR.

Condition 12.27 Ethics and Professional Judgment
Satisfied, no further reporting required\(^10\) Nevertheless, the program is advised that area is likely to be of interest to the next visiting team and the program's initiatives in this area should be thoroughly documented and addressed in the next APR.

Section Three:
Changes to the accredited program

None reported.

NOTE: The program is to be commended for the comprehensiveness of its 2007 Annual Report and for including the syllabi and other information among the attached exhibits. This information was extremely helpful in the review of the report and the development of the response.
