Internship Course: PLNN 693  Sponsoring Organization ________________________________

I hereby agree as follows:

RISKS OF PARTICIPATION

I recognize that there are dangers and risks to which I may be exposed by participation in this internship. The following is a description and examples of specific, non-obvious dangers and risks associated with the internship, as explained by the on-site supervisor:

_____________________________________________________________________________

HEALTH AND SAFETY

I understand and agree that the University and its governing board, administrators, and employees (the “Releasees”) do not have medical personnel available at the Sponsoring Organization, which is the site location for my internship. I understand and agree that the Releasees are granted permission to authorize emergency medical treatment, if necessary, and that such action by the Releasees shall be subject to the terms of this Agreement. I understand and agree that the Releasees assume no responsibility or any injury, damage or cost which might arise out of or in connection with such authorized emergency medical treatment.

I have consulted with a medical doctor with regard to my personal medical needs. There are no health-related reasons or problems that preclude or restrict my participation in this internship. I have arranged, through medical insurance or otherwise, to meet any and all needs for payment of medical costs while I participate in this internship.

I understand that neither the Releasees not the Sponsoring Organization are obligated to provide transportation in connection with the internship. I understand that I am expected to carry my own automobile liability insurance coverage.

STANDARDS OF CONDUCT

I will comply with the University’s Student Code of Conduct and Code of Academic Integrity, as well as the standards of conduct for employees of the Sponsoring Organization. I waive and release all claims against the University that arise at a time when I am not under the direct supervision of the University or that are caused by my failure to remain under such supervision or to comply with such codes and academic standards. I agree that the University has the right to enforce the standards of conduct described at:
as well as at:

http://studpubs.web.arizona.edu/policies/cofc.htm

http://studpubs.web.arizona.edu/policies/caaint.htm

and that the University will impose sanctions, up to and including expulsion from the internship or from the University, for violating these standards or any behavior detrimental to or incompatible with the interest, harmony, and welfare of the University, the department’s internship program, the Sponsoring Organization, or other student participants.

The University has the right to make changes in the format and administration of the internship. I understand that the University has no control over the operations or premises of the Sponsoring Organization, and that I will be under the supervision of a representative of that organization while I am participating at the internship.

ASSUMPTION OF RISK AND RELEASE OF CLAIMS

Knowing the risks described above, and in consideration of being permitted to participate in the internship, I agree, on behalf of my family, heirs, and personal representative(s), to assume all risks and responsibilities surrounding my participation in the internship. To the maximum extent permitted by law, I release and indemnify the Releasees from and against any present or future claim, loss or liability for injury to person or property which I may suffer, or for which I may be liable to any other person, during my participation in the internship (including periods in transit).

I have carefully read this Release Form before signing it. No representations, statements, or inducements, oral or written, apart from the foregoing written statement, have been made. This agreement shall become effective only upon receipt by the University of Arizona in the Graduate Planning Degree Program in the School of Landscape Architecture and Planning and shall be governed by the laws of the state of Arizona, which shall be the forum for any lawsuits filed under or incident to this agreement or to the internship.
