COMPETITION

The **17th annual Portfolio Competition**
sponsored by Arizona Builders Alliance!

Since 2006, the ABA has solicited and presented over \$180,000 in scholarship awards from its members to scores of individual students in the College.

For 2023 ABA will be contributing several thousand dollars in scholarships. The jury will distribute the total prize money based on the number and quality of submittals.

The ABA Portfolio Competition will award cash prizes for projects produced by CAPLA professional phase and graduate students!

The competition is specifically designed to encourage the preparation of portfolios, reinforcing the importance of clear and impactful graphic communication as an essential part of design practice.
