#### NOTES:

■ Master's Report (LAR 909) or Thesis (LAR 910) units can also be taken during the last 3 semesters, **if you wish to keep minimal units for your last semester.** If this is the case, we suggest you take 2 units in Spring 1, 3 units in Fall 2, and 1 unit in Spring 2. If you have an assistantship in the final semester, you can add an additional 3 units to remain full-time.

Most students complete a Master's Report, so LAR 909 is the appropriate course number. These units are separate from the seminar class.

● Electives must be approved by the academic advisor.
