**October 2024**

### **EDUCATION AND CAREER SUMMARY**

Doctor of Philosophy in Urban Studies concentrating in regional science and regional planning, Portland State University, 1984.

Master of Urban Studies in Public Administration, Research Track, Portland State University, 1976.

Bachelor of Science in Political Science with certificates in Urban Studies and Social Service, Portland State University, 1972.

Practicing professional in real estate development, planning management, development policy, planning, and economic analysis since 1972. Clients include federal, state, regional and local government agencies, think-tanks, non-profit and non-governmental organizations, and businesses.

Member of academic faculties since 1984.

### **SIGNIFICANT DISTINCTIONS**

**FAICP** – Fellow of the American Institute of Certified Planners.

**FACSS** – Fellow of the Academy of Social Sciences

**Lieutenant Colonel**, Georgia Militia, honorary commission by Governor Joe Frank Harris for state service  
Fellow, Growth and Infrastructure Consortium

Fellow, Lincoln Institute of Land Policy

Scholar, Penn Institute for Urban Research, Philadelphia, PA: University of Pennsylvania since 2010

**Arizona Champion** for academic achievement, University of Arizona, 2018  
**Ranked 9<sup>th</sup>** among 1,000+ US planning faculty members in quality citations.  
**Top 0.01%** (one-tenth of one percent) in citations of all arts and humanities scholars worldwide by ScholarGPS.

Lambda Alpha, Honorary Society for the Advancement of Land Economics  
Editor, *Housing Policy Debate* 2006-2009.

Associate Editor, *Journal of the American Planning Association* since 1998

Associate Editor, *Journal of Urban Affairs* 1986-2004

Book Review Co-Editor, *Journal of the American Planning Association* 2004-2006

Planners' Notebook Editor, *Journal of the American Planning Association* 1988-1998

Paul Davidoff **best book award**, part of Xavier de Sousa Briggs, ed., *The Geography of Opportunity: Race and Housing Choice in Metropolitan America*, Washington: Brookings Institution

Special expert on growth management/smart for HUD's Office of Policy Development & Research during the Clinton and Bush administrations, 2000-2001

**Scholar of the Year**, College of Architecture and Urban Studies, Virginia Tech

**Teacher of the Year** in Architecture, Georgia Institute of Technology

**Professional Educator of the Year** in Architecture, Georgia Institute of Technology

**Best Paper** of the Association of Collegiate Schools of Planning conference (from more than 700)

**Teacher of student winning the McClure Prize**, Association of Collegiate Schools of Planning

*Teacher of students winning National Student Project of the Year* award, American Institute of Certified Planners

*Young Researcher of the Year*, University of New Orleans

*Teacher of the Year in Planning*, Kansas State University

*Outstanding dissertation* recognition by Urban Geography section, Association of American Geographers

## ACADEMIC RECORD

### University of Arizona: 2014-2022

Professor of Urban Planning and Real Estate Development in the College of Architecture, Planning and Landscape Architecture. Target hire to help rebuild planning, mentoring, securing research, enhancing national reputation and related. Program ranked #1 for age-adjusted faculty citations.

Professor of Geography, College of Social and Behavioral Sciences

CAPLA General Faculty Chair, 2017-2021

Inaugural Chair, CAPLA Council of Faculty Members, 2019-2021

Inaugural CAPLA Associate Dean for Research and Discovery, 2014-2016

Recipient, *Darryl B. Dobras Award for Excellence* for outstanding achievements in the College of Architecture, Planning and Landscape Architecture.

Recognized as CAPLA's *Arizona Champion* for academic achievement, University of Arizona for 2018

Member, Faculty Status Committees including chairing several

Member, College Promotion and Tenure Committees including chairing several

Member, CAPLA re-entry committee including service on subcommittee

PI for U. of Arizona's first successful University Transportation Center proposal in the program's 40-year history through the *National Institute for Transportation and Communities* (NITC)

Facilitated design of online *Master of Real Estate Development* degree ranked # 2 in 2018 and #1 in 2021.

From <https://www.onlinemasters.com/best-degree-programs/real-estate/> cited as "most innovative": *Aspiring and professional real estate developers who have a passion for environmentally friendly*

*development should consider the University of Arizona. It has an innovative master's in real estate development program with a focus on sustainable cities and green building, helping students to better understand the industry and the direction it's going for the future.*

Founder, *Urban Planning Emphasis in Geography* Ph.D.

Co-founder, undergraduate *Minor in Real Estate Development*

Principal Investigator (PI) for University of Arizona's role in the National Institute for Transportation and Communities (NITC), the university's only US DIOT-sponsored university transportation center after 30+ years of other university efforts. Generated more than \$2 million in grants.

Principal teaching responsibilities:

Survey of Responsible Real Estate Development

Foundations of Economics for Planning and Real Estate Development

Real Estate Finance

Public Private Partnerships for Real Estate Development

Growth Management

### University of Utah: 2008-2014

Presidential Professor Emeritus of City and Metropolitan Planning and Real Estate Development since 2014.

Presidential Professor distinction held by only 10 university faculty members.

*Founding Director of the Metropolitan Research Center*. Supported up to 20 staff and graduate students with more than \$3 million in funding, 2010-2014. Co-PI of HUD Sustainable Communities grant proposal, Wasatch Futures, ranked 1<sup>st</sup> of more than 1,000 applications, 2011.

*Founder of the Doctoral Program in Metropolitan Planning, Policy and Design*. About 20 doctoral students, half of whom are supported from external grants and contracts. Academic Analytics ranks the program among the top five nationally in several key metrics.

**Founder and Co-Director of the Master of Real Estate Development Program.** The nation's only equal partnership between a college of architecture and planning, and a school of business.

**Founding Director of the Mountain West Planning and Design Academy.**

Elected to Faculty Senate, twice

Member, University Futures Committee

Member, University Committee on Local Government Relations

Chair, Department of City & Metropolitan Planning promotion and tenure committee.

Chair, City & Metropolitan Planning Curriculum Committee

Principal teaching responsibilities:

Public finance and planning

Public-private partnership real estate development methods

Growth management and smart growth

Doctoral seminar in metropolitan planning

Doctoral seminar in metropolitan policy

Co-Leader of team winning the 2014 Utah Planning Association award for Outstanding Regional Planning

### **Virginia Polytechnic Institute and State University: 2002 - 2008**

Professor of Urban Affairs and Planning

**Founding director of the graduate program in urban affairs and planning** at Virginia Tech's Alexandria Center, starting with 6 students in 2002 and growing to 100+ students by 2006.

Co-Director of the Metropolitan Institute at Virginia Tech, 2006-2008

**Co-founder of Virginia Tech's first dual graduate degrees.** This led to dual degrees among urban affairs and planning, landscape architecture, natural resources, and public administration.

Co-founded doctoral program several years ahead of schedule.

**Founder of the Graduate Certificate in Metropolitan Studies.**

**Founder of the Planning Academy at Virginia Tech** which offers professional & executive education

Facilitated revisions to the planning curriculum to meet accreditation.

Principal teaching responsibilities:

Federal, state, and local public finance economics and policy

Land use planning and growth management policy

Urban development and redevelopment methods and finance

Metropolitan governance

Chair, Urban Affairs and Planning Promotion and Tenure Committee for Northern Virginia

Studio students won **three student project-of-the-year awards** from the Virginia APA chapter.

### **Georgia Institute of Technology: 1987 - 2002**

Appointed untenured associate professor of city planning, July 1987

Awarded early tenure, 1991

Awarded early promotion to full professor, 1992

Attained joint appointment with School of Public Policy, 1990

Appointed Adjunct Professor of Law, Georgia State University, 2000

**Teacher, AICP National Student Project of the Year Award, 1996**

Chair, College Reappointment, Tenure, and Promotion Committee, 1995-98

Chair, College of Architecture Advisory Committee, 1993-95

Chair, College of Architecture Research Committee, 1993-94

Member, Institute Faculty Status and Grievance Committee, 1994-97

Awarded joint appointment in the School of Public Policy, 1988

Member, Center for Transportation Education and Research, College of Engineering

Coordinator of joint Planning and Urban Design degrees

Faculty Senate, two terms

University commendations for publishing, 1989, 1993, 1997, 2000

**Professional Education Teacher of the Year, College of Architecture, 1994**

***Teacher of the Year, College of Architecture, 2000***

Member, Institute Statutes Committee, 2000-2002

***Founding director of the certificate programs in Urban Policy and Land Development***

***Co-founder of nation's first bi-university dual planning and law degree*** (Georgia Tech and Georgia State)

Co-managed nation's only bi-university academic program in planning and real estate (with Georgia State)

***Founder of the College of Architecture graduate co-op program*** in 1990 that has since raised millions of dollars supporting hundreds of College of Architecture (now College of Design) graduate students

***Emmy Nominee***, Southeast Region for PBS broadcast on options for regional government in metro Atlanta.

Member, Task Force on Public Policy Program Development

Faculty Chair, College of Architecture

Chair, City and Regional Planning Promotion and Tenure Committee

Chair, College of Architecture Promotion and Tenure Committee

Chair, College of Architecture Curriculum Committee

College Promotion and Tenure Representative to University Promotion and Tenure Committee

Principal teaching responsibilities:

Federal, state, and local public finance economics and policy

Land use planning and growth management policy

Urban and real estate development

Fiscal and socioeconomic impact assessment

Local and regional economic development

#### **University of New Orleans: 1986 - 1987**

Appointed assistant professor of urban and regional planning on tenure-earning track, January 1986

Adjunct professor of Social Work, Southern University of New Orleans, 1986

Early promotion to associate professor, 1987

Joint appointment in public administration, 1987

***Winner, University Young Professor of the Year Award, 1987***

***Founding Director, Division of Urban Research and Policy Studies***

***Founding Coordinator, Graduate Program in Land Development***

Advisor, Louisiana Urban Technical Assistance Center

Coordinator Undergraduate urban studies focus in general studies

Principal teaching responsibilities:

Urban public policy analysis

Urban and regional spatial structure

Public works planning and finance

Land development impact assessment

Public-private land development process

#### **Kansas State University: 1984 - 1985**

Appointed visiting assistant professor of regional and community planning on two-year contract, July 1984

***Founding coordinator of undergraduate certificate program in regional and community planning, 1985***

***Teacher of the year, Department of Regional and Community Planning, 1985***

Member, College Futures Task Force, Library Committee, College Curriculum Committee (Chair),

Architecture Curriculum Committee, Environmental Design Curriculum Committee, Gerontology

Curriculum Committee, Graduate Program Coordinating Council, advisor, College Research Center

Gerontology university-wide curriculum development committee

Principal teaching responsibilities:

Planning administration and implementation

Planning principles

Public-private Partnerships in economic development

Community development planning

Regional planning (urban and regional economics)

**Portland State University: 1983-84**

M. J. Clark Fellow, the College of Urban and Public Affairs's most prestigious award

Dissertation: *Evaluating Urban Containment Programs*. Outstanding dissertation recognition by the Urban Geography section of the Association of American Geographers, 1985

**ADACEMIC PROGRAMS AND RESEARCH CENTERS CREATED**

Kansas State University

Founding coordinator, Undergraduate Certificate in Regional and Community Planning

University of New Orleans

Founding coordinator of the minor in Urban Affairs

Founding director of the Division of Urban Research and Policy Studies

Georgia Tech

Founding director of the undergraduate and graduate certificates in Urban Policy and Land Development (the predecessor to the Master of Real Estate Development program)

Founder of the graduate co-op program that has generated millions of dollars supporting hundreds of graduate students

Co-founded of the nation's only bi-university master of planning and JD degrees through Georgia Tech and Georgia State University

Virginia Tech

Founding director of the graduate Urban Affairs and Planning program for the national capital region

Founder of the university's first dual graduate degrees initially with planning and natural resources, and planning and public policy, which has since expanded to other programs

Founder of the Planning Academy at Virginia Tech

Co-director of the Metropolitan Institute at Virginia Tech

Co-facilitator of the doctoral program in planning, policy, and globalization, serving as the coordinator for the national capital region

University of Utah

Founding director of the Metropolitan Research Center

Founding director of the Master of Real Estate Development program

Founding director of the Mountain West Planning Academy

Founder of the doctoral program in Metropolitan Planning, Policy, and Design

University of Arizona

Inaugural Associate Dean for Research for the College of Architecture, Planning and Landscape Architecture

Founding coordinator of the urban planning emphasis in the Geography doctorate program

Designed of the online Master of Real Estate Development degree that was the nation's largest and top-rated online graduate real estate program at retirement

**PRE-EMERITUS MEMBERSHIPS**

Fellow, American Institute of Certified Planners (FAICP)

Fellow, Academic of Social Sciences (FAcSS)

Fellow, Growth and Infrastructure Consortium

Full Member based on credential review, American Society of Civil Engineers (M.ACSE)

Full Member based on credential review, Institute of Transportation Engineers (ITE)

Full Member, Urban Land Institute (ULI)

Associate Member, Transportation Research Board (TRB)

Member, Association of Collegiate Schools of Planning

Member by election, Lambda Alpha Land Economics Honorary Society

## Named Endowments

- Arthur C. and Monika Z. Nelson Endowed Dissertation Fellowship, Toulan School of Urban Studies and Planning, Portland State University.
- Arthur C. and Monika Z. Nelson Endowed Faculty Scholar, Toulan School of Urban Studies and Planning, Portland State University.
- Arthur C. Nelson Fellowship for Disadvantaged Planning Students, American Planning Association.
- Arthur C. Nelson and Clark Ivory Doctoral Fellowship in Metropolitan Planning, Policy and Design, University of Utah.
- Arthur C. Nelson Fellowship in Urban Planning and Real Estate Development, University of Arizona.

## Philanthropic Initiatives

- James C. Nicholas Endowed Scholarship in Urban Planning, University of Florida
- Robert H. Burchell Endowed Student Travel Awards, Rutgers University
- Fritz Wagner Endowed Scholarship in Urban Affairs and Planning, University of New Orleans

## BOOKS

- 22 **Nelson, Arthur C.**, James C. Nicholas, Julian Conrad Juergensmeyer, and Clancy Mullen. 2023. *Proportionate-Share Impact Fees and Development Mitigation*.

*After decades of evolving practice often tested in court, development impact fees have become institutionalized in the American planning and local government finance systems. But they remain contentious even as they continue to evolve. **Proportionate Share Impact Fees and Development Mitigation** expands the field further by showing that the proportionate share impact mitigation methodology pioneered by impact fees should be applied to all forms of development impact mitigation for three reasons. First, it is a rational way in which to establish the nexus between development and its impact on infrastructure broadly defined. Infrastructure means not only water and sewer lines, roads, schools, parks and so forth, but clean air and water, preservation of community heritage, the housing needed by local firms to house their workers, and really anything that a community depends on for its well-being. Second, the method assures that development mitigating its impacts also benefits proportionately. Third, “dual rational nexus,” proportionate share impact mitigation pioneered by the authors has become the standard of practice in planning and related professions. The standard of practice includes the obligation to assure that development mitigation is consistent with social equity principles advanced in the Code of Ethics of the American Institute of Certified Planners.*

American Planning Association

- 21 Parolek, Daniel with **Arthur C. Nelson**. 2020. *Missing Middle Housing: Thinking Big and Building Small to Respond to Today's Housing Crisis*. Washington, DC: Island Press.

*In "Missing Middle Housing," Parolek, an architect and urban designer, illustrates the power of these housing types to meet today's diverse housing needs. With the benefit of beautiful full-color graphics, Parolek goes into depth about the benefits and qualities of Missing Middle Housing. The book demonstrates why more developers should be building Missing Middle Housing and defines the barriers cities need to remove to enable it to be built. A chapter from urban scholar **Arthur C. Nelson** uses data analysis to highlight the urgency to deliver Missing Middle Housing.*

- 20 **Nelson, Arthur C.**, Julian Conrad Juergensmeyer, James C. Nicholas, and John Travis Marshall 2017. *Market Demand Based Planning and Permitting*. Chicago, IL: American Bar Association.

*Failure to create market demand based planning and permitting systems in accordance with a plan led in large part to both the savings-and-loan crisis and the Great Recession, costing trillions in taxpayer dollars, trillions more in lost home owner equity, and millions of jobs. This book may help prevent the next needless real estate driven recession.*

Earl Blumenauer, Member of Congress

*An incisive, encyclopedic exposition demonstrating how excessive development helped drive past recessions. The authors' solution – market demand based planning and permitting – is an imaginative and thought-provoking one, sure to ignite useful and productive debate.*

David L. Callies, Benjamin A. Kudo Professor of Law and Regents' Medalist for Excellence in Teaching, University of Hawai'i, William S. Richardson School of Law

*Market Demand Based Planning and Permitting is an essential book for planning today. It charts new directions we need to follow to meet the challenge of growth and development.*

Daniel R. Mandelker, Howard A. Stamper Professor of Law, Washington University School of Law

- 19 **Nelson, Arthur C.** 2014. *Foundations of Real Estate Development Financing: A Guide for Public-Private Partnerships*. Washington, DC: Island Press.

*This book provides the know-how the public sector needs to work successfully with developers – Joe Molinaro, National Association of Realtors.*

*Everyone interested in the financial "how to" of retrofitting suburbia ... should read this cogent book! Nelson brings a wealth of knowledge, experience, and clarity to the task.*

June Williamson, author of *Designing Suburban Future* and coauthor of *Retrofitting Suburbia*.

*This text will be shown to be the invaluable, go-to, how-to book for practitioners, students, and the private sector on redevelopment of our built environment to meet the needs of future generations.*

Christopher B. Leinberger, Brookings Institute and George Washington University.

- 18 **Nelson, Arthur C.** 2013. *Reshaping Metropolitan America: Trends and Opportunities to 2030*. Washington, DC: Island Press.

*Nelson paints a vivid picture of an America physically transformed in the next twenty years – Bruce Katz, Brookings Institution.*

*Nelson invented the big-picture understanding of how we are building Metropolitan America. (H)e has once again shown why urbanists throughout the country turn to him to see the future of the built environment. Christopher B. Leinberger, author, The Option of Urbanism.*

*This is a must-read for planners and policymakers – Ellen Dunham-Jones, Retrofitting Suburbia.*

*Finally, we have a comprehensive view of how the American Dream is changing and why. – Peter Calthorpe, author, Urbanism in the Age of Climate Change.*

- 17 **Nelson, Arthur C., Richard Pruetz and Doug Woodruff.** 2012. *The TDR Handbook: Planning and Designing Transfer of Development Rights Programs*. Washington, DC: Island Press.

*The TDR Handbook will be the primary source on the topic for years to come. Frederick Steiner, Dean, School of Architecture, University of Texas.*

*The TDR Handbook is thoroughly comprehensive, addressing virtually every conceivable issue about TDR. It should be on the shelf of every public official, attorney, and planner dealing with preservation of open spaces, natural resources, and the built environment.*

David L. Callies, FAICP, Kudo Professor of Law, University of Hawaii.

- 16 **Nelson, Arthur C. and Robert E. Lang.** 2011. *Megapolitan America: A New Vision for Understanding America's Metropolitan Geography*. Chicago: American Planning Association.

*This is an extraordinary book. It completely and ... correctly reorients our thinking about where our cities and communities are going both physically and in terms of actual living. What an extraordinary contribution to our thinking on these issues. This should be required reading ... for every governor, mayor, legislator, city council member, Chamber of Commerce member, and, indeed, citizen!*

Michael K. Young, President, University of Washington, Texas A&M University.

- 15 **Nelson, Arthur C.**, James C. Nicholas and Julian C. Juergensmeyer. 2009. *Impact Fees: Principles and Practice of Proportionate-Share Development Fees*. Chicago: American Planning Association.

*In this single, comprehensive text, the leading triumvirate of impact-fee theory and practice shows us how to bring fundamental fairness and justice to impact fees with their transcendent guide to proportionate-share development fees*  
Dwight Merriam, past president, AICP.

- 14 **Nelson, Arthur C.** and Robert E. Lang, 2009. *The New Politics of State Planning: How States and Local Governments Are Coming to Common Ground on Reshaping America's Built Environment*. Washington, DC: Urban Land Institute.

*Chronicling land-use controls from the past generation, this analysis describes recent changes in state perspective toward managing community growth. Showing how other states are handling newsworthy matters such as sustainability and infrastructure to improve the quality of life in communities the examination provides perspectives on many issues, including voter willingness to raise taxes for transit, open space, and related smart growth initiatives; increasing state protections of private property rights; and the rise in special districts and private governance.*  
Urban Land Institute.

- 13 **Nelson, Arthur C.**, John Randolph, Joseph Schilling, Jonathan Logan, James McElfish, and Newport Partners, 2009. *Environmental Regulations and Housing Costs*. Washington, DC: Island Press.

*In this book Arthur C. Nelson, John Randolph et al. provided reasoned analysis for decision makers in the public and private sectors about the effect of environmental regulations on housing affordability*  
Earl Blumenauer, Member of Congress.

- 12 **Nelson, Arthur C.**, Liza Bowles, Julian C. Juergensmeyer and James C. Nicholas. 2008. *A Guide to Impact Fees and Housing Affordability*. Washington, DC: Island Press.

*In a revenue-constrained world, impact fees will not disappear. The challenge is to ensure that such fees do not undermine a balanced community, Nelson et al. lay out a clear, fact-filled road map to address that challenge. Communities and developers should take heed.*

Nicholas P. Retsinas, Director, Joint Center for Housing Studies, Harvard University.

- 11 Newport Partners and **Arthur C. Nelson**. 2008. *Impact Fees and Housing Affordability Guidebook*. Washington, DC: Department of Housing and Urban Development.

*The purpose of this guidebook is to help practitioners design fees that more equitably reflect actual proportionate share and therefore have less of a negative impact on housing affordability. (B)ased on a comprehensive literature review and research conducted in the course of this project, the authors found that the simplest and most universal factor associated with actual costs is the square footage of the home.*

US Department of Housing and Urban Development.

- 10 **Nelson, Arthur C.**, Thomas W. Sanchez, Casey J. Dawkins. 2007. Second, revised printing 2008. *The Social Impacts of Urban Containment*. Hampshire, UK: Ashgate. Nominated for the Paul Davidoff Award. (Second printing.)

*Nelson, Dawkins and Sanchez extend the exploration of the effects of containment beyond urban form and housing prices, providing new insights into its consequences for broad array of social and economic issues. As such, the authors break new ground and provide a comprehensive assessment of the thinking on these issues to date.*

Gerrit Knaap, National Center for Smart Growth Director, University of Maryland.

- 9 **Nelson, Arthur C.**, Barbara L. Allen, David Trauger. 2006. *Toward a Resilient Metropolis: A New Role for State and Land Grant Universities*. Alexandria, VA: Metropolitan Institute Press.

*It is because of ... global and national challenges that metropolitan areas must not only become regions of sustainability but ones of resilience – and perhaps they must first learn to be resilient. The learning process is a role that state and land grant universities are uniquely qualified to fill. This can be accomplished through their collective power to convene. As shown in this book, no other institution enjoys the collective power to convene all the interests and with it state and land grant universities can move the world toward a resilient metropolis –* Metropolitan Institute at Virginia Tech.

- 8 **Nelson, Arthur C.** and Casey J. Dawkins. 2004. *Urban Containment in the United States*. Chicago: American Planning Association.

*This report reviews the history and central characteristics of urban containment, discusses the authors' evaluation of more than 100 urban containment plans, and presents their four-framework typology. It also offers case studies of each of the four frameworks and summarizes the implications for planners. Includes appendices, as well as a compilation of principal techniques for growth management and the elements of urban containment frameworks.*

American Planning Association.

- 7 **Nelson, Arthur C.** 2004. *Planners Estimating Guide: Projecting Land-Use and Facility Needs*. Chicago: American Planning Association.

*This is a gem of a book that deserves a place on every planner's reference shelf. It superbly delivers on its objective to present a straightforward method and framework for estimating future land-use and facility needs for a variety of growth scenarios.*

David Listokin, Co-Director, Center for Urban Policy Research, Rutgers University, in *Journal of the American Planning Association*, 71(4): 460-61.

- 6 Wachter, Susan M., J. Leo Penne, and **Arthur C. Nelson**, eds. 2000. *Bridging the Divide: Making Regions Work*. U.S. Department of Housing and Urban Development, Washington, DC.

*The Bridging the Divide Conference offered representatives from a broad spectrum of government, public organizations, and private-interest groups the opportunity to present their views. These Proceedings report on how those who attended took advantage of this opportunity.* Andrew Cuomo, HUD Secretary

- 5 **Nelson, Arthur C.** and James B. Duncan. 1995. *Growth Management Principles and Practice*. Chicago: American Planning Association.

*Growth Management Principles and Practices shows how to integrate diverse growth management practices into a comprehensive system that balances potentially competing planning goals.*

American Planning Association Recognized as one of the top 25 books in the first 25-year history of the American Planning Association.

- 4 **Nelson, Arthur C.** 1995. *Water, Wastewater, and Stormwater System Development Charges*. Boca Raton, FL: CRC and Lewis Publishers.

*This book presents a comprehensive method by which to determine the proportionate share of the costs and revenues generated by the development of new water, wastewater, and stormwater facilities. It presents a rational, legally defensible approach to assessing charges based on the use of new and existing facilities to support new system development.*  
CRC Press

- 3 Knaap, Gerrit J. and **Arthur C. Nelson.** 1993. *The Regulated Landscape: Lessons of Statewide Planning From Oregon*. Cambridge, MA: Lincoln Institute of Land Policy. Several printings. Translated into Chinese in 2003.

*This book examines the effects of Oregon's comprehensive Land Use Act of 1973 on economic activity, housing, agriculture, and land values. The authors document statewide planning and land use politics through the late 1980s as the state responded to changing social and economic circumstances that affected the implementation of its planning goals.*  
Lincoln Institute of Land Policy

- 2 Nicholas, James C., **Arthur C. Nelson,** and Julian C. Juergensmeyer. 1991. *A Practitioner's Guide to Development Impact Fees*. Chicago, IL: American Planning Association.

*This book is about development impact fees. Impact fees shift a portion of the burden of the cost of new or expanded facilities to accommodate new development away from the community at large to new development itself. The mission of this book is to move the impact fee concept away from experimentation to standardization.*  
American Planning Association

- 1 **Nelson, Arthur C.,** ed. 1988. *Development Impact Fees: Theory, Issues, Policy and Practice*. Chicago, IL: American Planning Association.

*To pay for facilities, communities increasingly look to the private sector for help. Development impact fees are one way they have found to shift the burden of paying for new facilities to new development. This book is based on a symposium introduces readers to many of the practices of, and the debates surrounding, impact fees.*  
American Planning Association.

## EDITED BOOK SERIES

**Nelson, Arthur C.** and Reid Ewing, editors,  
**Metropolitan Planning + Design** book series,  
Washington, DC: Island Press. Series editor  
leading to:

*Foundations of Real Estate Development Financing: A  
Guide to Public-Private Partnerships*—Arthur C.  
Nelson

*Measuring Urban Design: Metrics for Livable Places* –  
Reid Ewing and Otto Clemente

*Reshaping Metropolitan America: Development Trends  
and Opportunities to 2030* – Arthur C. Nelson

*Good Urbanism: Six Steps to Creating Prosperous  
Places* – Nan Ellin

*Planning as if People Matter: Governing for Social  
Equity* – Marc Brenman and Thomas W. Sanchez

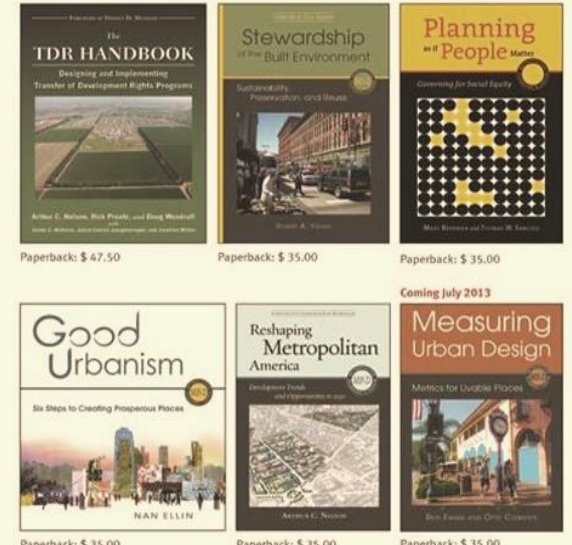

*Stewardship of the Built Environment: Sustainability,  
Preservation, and Reuse* – Robert A. Young

*The TDR Handbook: Designing and Implementing  
Transfer of Development Rights Programs* –  
Arthur C. Nelson, Rick Pruetz, and Doug Woodruff

**Metropolitan Planning + Design**

From Island Press and the University of Utah  
Series Editors: Arthur C. Nelson and Reid Ewing

A collaboration between Island Press and the University of Utah's Department of City + Metropolitan Planning, this series provides a set of tools for students and professionals working to make our cities and metropolitan areas more sustainable, livable, prosperous, resilient, and equitable.

## **PAPERS PRESENTED, COMMISSIONED TALKS, KEYNOTES, PLENARIES, WEBINARS and RELATED SCHOLARLY/PROFESSIONAL PRESENTATIONS**

- 416 "Sheetz and Exactions." Annual conference of the Rocky Mountain Land Use Institute, Denver, March 2025.
- 415 "Implications of Sheetz for Impact Fees in Utah." Annual conference of the Utah Land Use Institute, Salt Lake City, October 2024.
- 414 "Nevada's Predictable Housing Train Wreck and What to do About It." Nevada's Housing Policy Landscape: Data, Analysis, and Policy Solutions symposium, UNLV, Las Vegas, September 2024.
- 413 "How the Region can Unlock Opportunities to Meet Housing Needs." Executive Certificate in Affordable Housing Kick-Off, University of Denver, Denver, September 2024.
- 412 "Tucson Streetcar Value Added Outcomes," Arizona Chapter of the American Planning Association conference, Tucson AZ, September 2024.
- 411 "Impact Fees and Exactions," Arizona Chapter of the American Planning Association conference, Tucson AZ, September 2024.
- 410 "Maybe Starter/Smaller Homes and Apartments Pay Their Way After All." Spring conference of the Utah Land Use Institute, St. George, March 2024.
- 409 "Using the Real Estate Market to Evaluate Transit Station Outcomes. Transportation Research Board annual meetings, Washington DC, January 2024.
- 408 "The Great Reset", Regional Solutions conference, Salt Lake County, November 2023.
- 407 "Options to Pay for the Future." Presentation to Chattahoochee Hills City Council, October 2023.
- 406 "The New Real Estate Realities". Utah Land Use Institute. Salt Lake City. October 2023.
- 405 "Impact Fees and Equity." Arizona planning conference. September 2023.
- 404 "America's Missing Households". National Multifamily Housing Council Research Forum, Miami, April 2023.
- 403 "Don't Let Growth Stop You." Utah Land Use Institute. St. George. April 2023.
- 402 "ADUs and Impact Fees". Presentation to Tucson planning staff. March 2023.
- 401 "Using the Tax Code to Preserve Ecosystem Services and Help Achieve 30% Land Preservation by 2030." Rocky Mountain Land Use Institute conference, webinar March 2023.
- 400 "Financing City Resilience." A celebration of *The Cambridge Handbook of Disaster Law: Risk, Recovery, and Redevelopment*, edited by John Travis Marshall, Ryan Rowberry, and Susan Kuo, eds. Cambridge UK: Cambridge University Press. Atlanta GA. February 2023.
- 399 "Where are we Headed?" Utah Land Use Institute. Salt Lake City. October 2022.
- 398 "Housing Underproduction in the West". Annual Housing Summit, October 2022, Washington DC.

- 397 “Smart Planning in a Post Pandemic World.” Boise Smart Growth Alliance. Boise, September 2022.
- 396 “Kicking the S out of Single Family Zoning.” Annual Conference of the Arizona Chapter of the American Planning Association. Scottsdale AZ, August 2022.
- 394 “The End of Single-Family Zoning?” Arizona State Bar Association. Scottsdale, June 2022.
- 393 “Effects of the Pandemic on Housing Choices.” Growth and Infrastructure Consortium. Webinar May 2022.
- 392 “Make No Small Visions.” Hudson River Valley Housing Conference. Webinar April 2022.
- 391 “Transit Influences on People, Jobs, and Real Estate Development.” Arizona Transit Association. Tucson. April 2022.
- 390 “The Planning Ethics of Impact Fee Equity.” Rocky Mountain Land Use Institute conference, webinar March 2021.
- 389 “Pre-Pandemic Lessons of Transit for a Post-Pandemic World.” Plenary Address to the Rocky Mountain Land Use Institute conference, webinar March 2022.
- 388 “Let’s Get Real About Regional Disparities.” Keynote, Western Regional Science Association, Scottsdale, February 2022
- 387 “Utah in 2100”. Keynote to the Annual Forecast Breakfast of the Utah Association of Realtors.
- 386 “Influence of Transit Station Proximity on Demographic Change Including Displacement and Gentrification with Implications for Transit and Land Use Planning After the Covid-19 Pandemic” Transportation Research Board, January 2022.
- 385 “Make No Small Visions.” Keynote to Pace University Law School Land Use Conference. Webinar December 2021.
- 384 “Who’s in Charge Here?” Utah Land Use Institute. Salt Lake City, October 2021.
- 383 “Planning Ethics” Utah Land Use Institute. Salt Lake City, October 2021.
- 382 “Transit Impacts on Jobs, People and Real Estate.” Plenary Address to the Rocky Mountain Land Use Institute conference, webinar March 2021.
- 381 “Transit Impacts on Jobs, People and Real Estate.” NITC webinar. March 2021.
- 380 “Is The End of Single-Family Zoning Near?” American Institute of Architects, Georgia. Webinar November 2020.
- 379 “After the Bug”. Utah Land Use Institute. Salt Lake City, October 2020.
- 378 “So, You Want to End Single Family Zoning?” Utah Land Use Institute. Salt Lake City, October 2020.
- 377 “The Great Senior Short-Sale.” Urban Scholars, Georgia State University Law School. September 2020.
- 376 “Financing Resilient City Growth”. Rocky Mountain Land Use Institute. Denver 2020.
- 375 “You Ain’t Seen Nothin’ Yet: Transforming the Built Environment through Its Nonresidential Spaces. Keynote. Rocky Mountain Land Use Institute. Denver 2020.
- 374 “The Influence of Rail Transit on Development Patterns in the Mountain Mega-Region with Implications for Rail Transit and Land Use Planning. *Best Paper*, TRB’s ADA20 Committee on Metro Planning, Policy & Processes. Transportation Research Board 2020.
- 373 “The Link between Transit Station Proximity and Mode Choice to Work, Working at Home, Vehicle Ownership, and Transportation Costs with Implications for Transit and Land Use Planning Implications. Transportation Research Board 2020.
- 372 “The (Overlooked) Link between Express Bus Stations and Commercial Rents with Implications for Transit and Land Use Planning”. Transportation Research Board 2020.
- 371 “New Ways of Negotiating Land Use Disputes”, Utah Land Use Institute, Salt Lake City UT 2019

- 13 "Evaluating Oregon's Statewide Urban Growth Management Program," a session sponsored by the School of Urban and Public Affairs, Portland State University, State Capitol Building, Salem, 1984.
- 12 "The Effect of Urban Containment Policies on Housing Prices to a Class of People," presented to Western Rural Community Assistance Conference, Vallejo, California, 1984.
- 11 "Urban Growth Management Techniques Applied in Oregon," panel discussion presented at the 1984 Conference of the Urban Affairs Association.
- 10 "The Perverse Effect of Urban Containment Policies on the Preservation of Farmland at the Urban Fringe," presented to the 1984 Conference of the Urban Affairs Association.
- 9 "Elements of Successful Downtown and Main Street Design and Planning." Moderator of symposium sponsored by the Department of Regional and Community Planning, Kansas State University, 1984.
- 8 "Planning for Small Cities within Metropolitan Regions," keynote address before the 1980 Washington County (Oregon) Planning Conference.
- 7 "Mobile Home Park Planning in Oregon," Oregon Association of Mobile Home Park Owners Annual Convention, 1980.
- 6 "Water Resources Planning," panel participant at the Annual Convention of the Oregon Association of Water Utilities, 1978.
- 5 "The Effect of Urban Growth Boundaries on Land Values inside Urban Areas," paper presented to the Annual Conference of the Association of American Geographers, 1977.
- 4 "Forest Land Planning in Oregon," policy presentation given to the Forest Industry Meetings of the Portland Chamber of Commerce, 1977.
- 3 "Agricultural Planning in Oregon," policy presentation delivered to the Statewide Planning Forum of the City Club of Portland, 1976.
- 2 "Far Reaching Implications of Oregon's Land Use Planning Goals," paper presented to the 1975 Oregon-Washington Planning Conference.
- 1 "Preliminary Evaluations of Urban Growth Boundaries on Land Values," paper presented to the 1975 Oregon-Washington Planning Conference.

## **EDUCATIONAL OUTREACH**

### **Mountain West Planning and Design Academy, University of Utah – Founding Executive Director**

Established advisory board and scheduled programming beginning fall 2009.

### **Planning Academy at Virginia Tech – Founding Executive Director**

National Charrette Institute, May 2005, May 2006, November 2006, May 2007, national workshop attended by more than 100 people generating more than \$100,000.

Form-Based Code Institute, November 2005, February 2006, March, May 2006, June 2006, September 2006, national workshop attended by more than 300 people generating more than \$250,000. Local host for National Impact Fee Roundtable conference, October 2006, attended by about 200.

Regional and local workshops on industrial clustering, security design, impact fees and proffers, smart growth planning, public-private partnerships, and GIS attended by more than 150.

Total since inception of Academy in middle 2005: More than 700 attendees generating more than 1,000 CEUs and more than \$500,000 in revenue.

### **Professional Education Program in Planning at Georgia Tech – Administrator**

The following short courses were organized and delivered from 1988 through 1995. They were designed to institutionalize innovative sources of infrastructure funding across the United States. These courses reached more than 1,000 professional planners, engineers, finance officers, attorneys, and others whose interest is in creating more efficient development patterns. More than \$1 million generated in revenues in current dollars.

October 1995 - Water, Wastewater, and Stormwater Fees. Orlando

October 1995 - Water, Wastewater, and Stormwater Fees. San Francisco

May 1994 - Development Impact Fees. Orlando

April 1994 - Development Impact Fees. San Francisco

November 1993 - Water, Wastewater, and Stormwater Fees. Atlanta

October 1993 - Water, Wastewater, and Stormwater Fees. San Francisco

April 1993 - Water, Wastewater, and Stormwater Fees. Atlanta

October 1992 - Water and Wastewater Connection Fees. Atlanta

March 1992 - Innovative Transportation Financing. Atlanta

March 1992 - Litigating and Defending Impact Fees. San Francisco February 1992 - Litigating and Defending Impact Fees. Orlando June 1991 - Urban Planning Institute. Atlanta

June 1991 - Development Impact Fees. Seattle

June 1991 - Development Impact Fees. Sacramento

March 1991 - Development Impact Fees. Hilton Head

February 1991 - Development Impact Fees. Denver

September 1990 - Planning Commissioners Institute. Atlanta

June 1990 - Urban Planning Institute. Atlanta

June 1990 - Development Impact Fees. Cape Cod

May 1990 - Development Impact Fees. Atlanta

March 1990 - Development Impact Fees. San Francisco

February 1990 - Development Impact Fees. Dallas

September 1989 - Development Impact Fees. Seattle

September 1989 - Development Impact Fees. Spokane

August 1989 - Development Impact Fees. San Francisco

June 1989 - Development Impact Fees. Boston

June 1989 - Development Impact Fees. Washington

June 1989 - Development Impact Fees. Hilton Head

January 1989 - Development Impact Fees. Los Angeles

November 1988 - Development Impact Fees.

Boston October 1988 - Development Impact Fees. Chicago

August 1988 - Development Impact Fees. Atlanta

Shima Hamidi, University of Utah, Member  
Amir Hajrasouliha, University of Utah, Member  
Philip Stoker, University of Utah, Member  
Keuntae Kim, University of Utah, Member  
Guang Tian, University of Utah, Member  
David Proffitt, University of Utah, Member  
Roger Child, University of Utah, Member

**SPONSORED AWARDS IN PURE AND APPLIED RESEARCH as PI/Co-PI**  
**[Current value in excess of \$50 million.]**

- 88 ***Estimating Missing Households in Arizona with Implications for State Policy***  
Brookings Mountain West, UNLV  
\$10,000  
Principal Investigator.  
June 2024-September 2024.
- 87 ***Estimating Missing Households in Arizona with Implications for State Policy***  
Arizona League of Cities and Towns  
\$30,000  
Principal Investigator.  
November 2023-June 2024.
- 86 ***Options for Paying for Growth***  
City of Chattahoochee Hills, Georgia  
\$6,000  
Principal Investigator.  
August 2023-October 2023.
- 85 ***Rent Regulation in the United States: An Update and Assessment***  
National Multifamily Housing Council  
\$20,000  
Principal Investigator.  
June 2023-January 2024.
- 84 ***Options for Collaborative Economic Development Governance in Southern Nevada***  
Nevada Governor's Office of Economic Development  
\$20,000  
Lincy Institute and Brookings Mountain West  
Principal Investigator.  
January 2023-August 2023.
- 83 ***Nevada Economic Development and Public Policy 2022-2026: A Sustainable Future for all Nevadans***  
Nevada Governor's Office of Economic Development  
\$10,000  
Lincy Institute and Brookings Mountain West  
Principal Investigator for Nevada's Demographic and Economic Geography: The Three Nevadas.  
June 2021-January 2022
- 82 ***LRT/BRT/SCT/CRT Development Outcomes Final Phase***  
National Institute of Transportation and Communities  
US Department of Transportation  
Principal Investigator  
\$160,000 from NITC and the University of Arizona  
Final phase analysis of development outcomes associated with light rail transit, bus rapid transit, streetcar transit and commuter rail transit systems  
September 2018-June 2020

- 81 ***Smart Growth America Master Agreement***  
 Smart Growth America  
 \$500,000  
 Task order services relating to pure and applied smart growth research in and related to the areas of transportation, urban growth and development economic development, and fiscal impact analysis.  
 November 2017-December 2022
- 80 ***Updating and Expanding LRT/BRT/SCT/CRT Data and Analysis***  
 National Institute of Transportation and Communities  
 US Department of Transportation  
 Principal Investigator  
 \$150,000 from among NITC, City of Tucson, Regional Transportation Commission of Southern Nevada, Mid America Regional Council, Wasatch Front Regional Council, Portland Metro Commission. Updating prior analysis and generating database for light rail transit, bus rapid transit, streetcar transit and commuter rail transit systems  
 September 2017-June 2019
- 79 ***Arizona Tri-University Transportation Research Center Pilot Research***  
 Arizona Board of Regents  
 Principal Investigator  
 \$30,000  
 Assess the effects of increased freight traffic along I-10 with respect to spillover congestion on non-freeway streets.  
 July 2017-December 2018
- 78 ***National Institute of Transportation and Communities***  
 US Department of Transportation  
 Co-Principal Investigator  
 \$15.7 million  
 Research and engagement activities improving the mobility of people and goods  
 January 2017-December 2022  
 University of Arizona received more than \$2 million.
- 77 ***Arizona Tri-University Transportation Research Center Pilot Research***  
 Arizona Board of Regents  
 Principal Investigator  
 \$45,000  
 Evaluate the long-term economic development and planning implications of Arizona's freight transportation corridor comprised of I-10 and nearby rail lines  
 September 2016-December 2017
- 76 ***Joining-Up Urban Water Management with Urban Planning and Design***  
 Water Environment Research Foundation  
 Co-Principal Investigator  
 \$139,505  
 Evaluate triple bottom line water policy adoption practices  
 January 2016-December 2016

- 75 ***National Study of BRT Development Outcomes***  
National Institute for Transportation and Communities  
Principal Investigator  
\$170,000  
Research the economic, demographic and land-use outcomes of bus rapid transit systems  
January 2014 through December 2015
- 74 ***Do TODs Make a Difference?***  
National Institute for Transportation and Communities  
Principal Investigator  
\$342,000  
Research the economic, demographic and land-use outcomes of transit-oriented developments  
August 2013 through December 2015
- 73 ***Streetcars, Urban Form, and Public Perception***  
Co-Principal Investigator  
US Department of Housing and Urban Development  
\$125,000  
Research on economic development and demographic outcomes, and public attitudes to streetcars in  
Portland, Seattle, New Orleans, and Salt Lake City  
July 2013 through December 2015
- 72 ***Valuing Ecosystem Services***  
Environmental Protection Agency  
Co-Principal Investigator  
\$50,000  
Develop prototype GIS-based system for estimating the value of ecosystem services under  
alternative development scenarios.  
March 2013 through December 2013
- 71 ***Light-Rail Transit and Congestion Mitigation***  
National Institute for Transportation and Communities  
Co-Principal Investigator  
\$98,000 (direct and in-kind)  
Research into the relationship between a light-rail transit corridor and reduction of highway  
congestion  
August 2012 through December 2013
- 70 ***Livable Corridors***  
National Academy of Sciences  
Co-Principal Investigator  
\$83,000  
Research into the design of transit corridors to improve quality of life  
June 2012 through December 2013
- 69 ***Transit and Greenhouse Gas Emissions***  
National Academy of Sciences  
Co-Principal Investigator  
\$138,000  
Research into the role of transit in reducing greenhouse gas emissions  
June 2012 through December 2013

- 68 ***Sustainable Communities Initiative***  
US Dept. of Housing and Community Development through the Mid-America Regional Council  
Principal Investigator  
\$70,000  
Adapt GIS-based model of social, economic, and environmental outcomes to transit oriented developments and transit corridors.  
June 2012 through June 2013
- 67 ***Sustainable Communities Initiative***  
US Dept. of Housing and Community Development through the University of Texas at Austin  
Principal Investigator  
\$70,000  
Adapt GIS-based model of social, economic, and environmental outcomes to transit oriented developments and transit corridors.  
June 2012 through June 2013
- 66 ***Innovative Urban Transitions and Arid-region Hydro-sustainability (iUTAH)***  
National Science Foundation  
Investigator (customarily Co-PI but for NSF limits)  
\$20,000,000  
Associate team leader for City & Metropolitan Planning managing about \$1,000,000 over five years  
October 2011 through September 2016
- 65 ***Sustainable Communities Initiative***  
US Dept. of Housing and Community Development through Salt Lake County  
Principal Investigator  
\$1,551,500  
Create GIS-based model of social, economic, and environmental outcomes to transit oriented developments and transit corridors.  
March 2011 through February 2014
- 64 ***Smart Growth Research***  
Smart Growth America and Transportation for America  
Principal Investigator  
Up to \$500,000  
Perform specific tasks as assigned. July 2009 through June 2016
- 63 ***Planning Analysis for Salt Lake County***  
Salt Lake County  
Principal Investigator  
\$100,000  
Prepare baseline planning documents and projections for long-range planning purposes. October 2008 through August 2012
- 62 ***Federal Transportation Stimulus Legislation Research***  
Smart Growth America  
Principal Investigator  
\$25,000  
Synthesize research on the relationship between public transportation investment and economic development  
January 2009 through June 2009

- 61 ***Targeting Highway Investment for Maximum Economic Return in Metropolitan Areas***  
 Smart Growth America  
 Co-Principal Investigator  
 \$25,000  
 Synthesize research on the relationship between highway investment and economic development.  
 January 2009 through June 2009
- 60 ***Mobility Fee Study for the State of Florida***  
 Governor's Office, State of Florida through the Center for Urban Transportation Research  
 Principal Investigator  
 \$30,000  
 Create new models for transportation financing statewide. October 2008 through June 2009
- 59 ***Housing Policy Debate***  
 Fannie Mae Foundation  
 Co-Principal Investigator  
 \$495,000  
 Serve as Co-Editor (with Co-PI) of *Housing Policy Debate*  
 May 2007 through April 2010
- 58 ***Green Alexandria***  
 City of Alexandria, Virginia  
 Principal Investigator  
 \$45,900  
 Facilitate production of plans and policies to reshape Alexandria's future built environment  
 December 2007 through August 2008
- 57 ***Virginia Transportation Impact Fees***  
 Office of the Governor  
 Principal Investigator  
 \$52,480  
 Prepare model impact fee methodologies and implementing ordinances. May 2007 through April 2008
- 56 ***Western Development Policy***  
 Brookings Institution  
 Co-Principal Investigator  
 \$40,000  
 Investigate development potential and policy options facing selected Western states. May 2007 through December 2007
- 55 ***The New Politics of State Planning***  
 Urban Land Institute  
 Co-Principal Investigator  
 \$25,000  
 Assessing convergence in statewide land-use planning policy  
 May 2007 through December 2007

- 54 ***Regulatory Barriers to Manufactured Homes***  
US Department of Housing and Urban Development  
Research Associate  
\$300,000  
Research the extent to which local regulations are barriers to manufactured housing. October 2005 through February 2007
- 53 ***Workforce Housing Analysis***  
MacArthur Foundation  
Co-Principal Investigator  
\$26,000  
Research the relationship between housing costs and job accessibility  
October 2006 through June 2007
- 52 ***East Falls Church Station Area Plan***  
Arlington, VA  
Principal Investigator  
\$40,000 for support a studio.  
Develop land use and housing plan with focus on housing affordability.  
October 2006 through December 2007.  
Student project won the Virginia APA prize for best student project.
- 51 ***Environmental Regulations and Housing Affordability***  
US Department of Housing and Urban Development  
Co-Principal Investigator  
\$300,000  
Research the relationship between local environmental regulations and housing affordability  
October 2004 through June 2006
- 50 ***Impact Fees and Housing Affordability***  
US Department of Housing and Urban Development  
Principal Investigator  
\$300,000  
Research the relationship between impact fee practice and housing affordability  
October 2004 through February 2006
- 49 ***Village Design Template***  
Stafford County, VA  
Principal Investigator  
\$38,000 for support a studio.  
Develop template to expedite rezoning of dead and dying malls. June 2005 through December 2006  
Student project won the Virginia APA prize for best student project.
- 48 ***Fiscal Impact Template***  
Albuquerque, New Mexico  
Principal Investigator  
\$40,000  
Develop staff-friendly fiscal impact model  
June 2005 through May 2006

- 47 ***Calculation Impact Fees to Achieve the Preferred Growth Alternative***  
Albuquerque, New Mexico  
Principal Investigator  
\$250,000 (total project including management of subcontractors)  
Generate research supporting impact fees that vary based on location, density, land-use configuration and other factors  
October 2005 through February 2006.
- 46 ***Efficiency Reductions to Impact Fees***  
DeKalb County, Georgia  
Principal Investigator  
\$100,000 (total project including management of subcontractors)  
Provide research supporting reductions in impact fees due to location, density, and land-use configuration factors for road impact fees  
October 2005 through February 2006
- 45 ***Braddock Road Station Area Plan***  
City of Alexandria, VA  
Principal Investigator  
\$40,000 for studio project  
Prepare a land use and housing plan for the Braddock Road Metro rail station.  
October 2004 through December 2005.  
Student project won the Virginia APA prize for best student project.
- 44 ***Impact Fees in the Planned Growth Strategy Context***  
Albuquerque, New Mexico  
Principal Investigator  
\$220,000  
Formulate and apply impact fees to help implement the Planned Growth Strategies  
December 2003 through June 2004
- 43 ***The Effect of Urban Containment on Neighborhood and Housing Quality***  
Fannie Mae Foundation  
Principal Investigator  
\$24,780  
Explore statistical relationship between the presence of different forms of urban containment on neighborhood and housing quality  
January 2004 through December 2004
- 42 ***Applying Best Practices for Development Impact Fees***  
DeKalb County, Georgia  
Principal Investigator  
\$200,000  
Formulate and apply “best practices” for development impact fees to improve equity and efficiency in public facility delivery  
March 2003 through December 2003

- 41 ***Urban Containment and Hazard Vulnerability***  
National Science Foundation  
Co-Principal Investigator  
\$149,000  
Analyze the extent to which urban containment leads to development of landscapes prone to damage through natural hazards  
August 2002 through December 2003
- 40 ***Effect of Apartments on Single Family Housing Values***  
National Association of Realtors and National Multifamily Housing Council  
Principal Investigator  
\$45,000  
Estimate the association between apartment proximity and value of single family detached units  
May 2001 through December 2002
- 39 ***Creating an Urban Containment Typology***  
National Association of Realtors and Brookings Institution  
Principal Investigator  
\$102,000  
Identify, inventory and assess regional urban containment programs, and create an urban containment typology for use in future research  
May 2001 through December 2002
- 38 ***Smart Growth Policies***  
Brookings Institution  
Principal Investigator  
\$40,000  
Prepare three monographs for national distribution on (1) impact fees and economic development, (2) development needs of the next 25 years, and (3) modernizing subdivision ordinances. May 2001 through June 2002
- 37 ***Growth Management and Housing Prices***  
Brookings Institution  
Principal Investigator  
\$10,000  
Prepare monograph for national distribution on growth management and housing prices. May 2001 through December 2001
- 36 ***Greenspace Planning in Georgia***  
Trust for Public Land  
Principal Investigator  
\$21,000  
Prepare plan for Georgia counties to acquire open spaces consistent with the Georgia Greenspace Act. June 2000 through December 2000
- 35 ***Smart Growth Tool Kit***  
Georgia Department of Community Affairs  
Principal Investigator  
\$28,000  
Prepare tool kit for use by Georgia communities. June 2000 through June 2001

- 34 ***Housing Price and Landowner Behavior Effects of Urban Containment***  
 Lincoln Institute of Land Policy  
 Principal Investigator  
 \$5,000  
 Convene symposium on methodologies to evaluate urban containment effects on housing prices  
 August 1999 through May 2000
- 33 ***New Community Development Code***  
 City of Port Wentworth, Georgia  
 Principal Investigator  
 \$25,000  
 Craft unified town planning code for new town of 5,000 acres along the Savannah River  
 June 1999 through May 2000
- 32 ***Development Exaction System Design***  
 City of Cordele, Georgia  
 Principal Investigator  
 \$17,500  
 Develop system of standardized development exactions for city of Cordele, Georgia  
 August 1999 through December 1999
- 31 ***Water Planning Issues in Metropolitan Atlanta***  
 Research Atlanta  
 Principal Investigator  
 \$8,000  
 Assess the current ways in which decisions on water supply and use are conducted in metropolitan Atlanta and pose range of alternative approaches  
 August 1999 through May 2000
- 30 ***Decision-Making in Metropolitan Atlanta***  
 Research Atlanta  
 Principal Investigator  
 \$8,000  
 Assess the current decision-making environment for its ability to address regional issues in metropolitan Atlanta and pose range of alternative approaches; present findings on public television  
*Finalist for Southeast Regional Broadcast Television Emmy for Public Affairs*  
 July 1998 through May 1999
- 29 ***No Room at the Inn***  
 Fannie Mae Foundation  
 Principal Investigator  
 \$10,000  
 Evaluate supply of downtown structures eligible for historic preservation tax credit for conversion to housing and assess policy implications of diminishing supply  
 October 1999 through June 2000
- 28 ***Central City Revitalization through Urban Containment***  
 Fannie Mae Foundation  
 Principal Investigator  
 \$25,000  
 Evaluate major U.S. metropolitan areas classified by natural or manmade containment characteristics for effects on central city investment  
 January 1999 through December 1999

- 27 ***Urban Design and Greenbelt Plan, City of Oxford, Mississippi***  
 City of Oxford, Mississippi  
 Principal Investigator  
 \$94,000  
 Prepare urban design and greenbelt preservation plan based on principles of urban containment and new theories of neo-urbanism developed through Georgia Tech  
 Finalist, AICP National Student Project of the Year Award  
 January 1998 through June 1998
- 26 ***Metropolitan Governance***  
 National Center for the Revitalization of Central Cities  
 Principal Investigator  
 \$35,000  
 Evaluate the economic efficiency implications of alternative forms of metropolitan governance for sabbatical  
 August 1996 through May 1997
- 25 ***Location of Professional Sports Stadia and Economic Activity***  
 National Center for the Revitalization of Central Cities  
 Principal Investigator  
 \$15,000  
 Evaluate the economic impacts of locating professional sports stadia in different parts of metropolitan areas  
 August 1996 through May 1997
- 24 ***Advanced Wastewater Rates***  
 Calhoun, Georgia  
 Principal Investigator  
 \$25,000  
 Create sophisticated wastewater rate system  
 June 1996 through June 1997
- 23 ***Wireless Communication Tower Planning and Policy***  
 Athens-Clarke County, Georgia  
 Principal Investigator  
 \$20,000  
 Evaluate impact of wireless technology on community plans and develop policy to manage it  
 January 1996 through December 1996
- 22 ***The Relationship between Earthquake Damages and Comprehensive Plans***  
 National Science Foundation  
 Co-Principal Investigator  
 \$89,000  
 Evaluate the relationship between comprehensive plan quality and damage during the period between the  
 San Fernando earthquake of 1971 and the Northridge earthquake of 1994  
 October 1994 through September 1995

- 21 ***Economic Development and Geographic Information Systems***  
 Economic Development Administration, US Department of Commerce Co-Principal Investigator  
 \$160,000  
 Provide research and training in the application of geographic information systems to economic development  
 October 1994 through September 1995
- 20 ***Benefit-Cost Analysis of Rural Transit***  
 Sponsor: Georgia Department of Transportation Principal Investigator  
 \$100,000  
 Provide methodologies for evaluating the benefits and costs of providing rural transit systems  
 July 1993 through December 1995
- 19 ***Parking Policies and Transit***  
 National Academy of Sciences Principal Investigator  
 \$31,110  
 Evaluate the effects of parking policies in Atlanta's midtown on transit use and carpooling  
 July 1994 through December 1995
- 18 ***Transportation Impact Analysis: Metropolitan Atlanta Regional Transit Authority***  
 U. S. Department of Transportation, Federal Transit Administration  
 Project Director  
 \$100,000  
 Evaluate economic development, urban form, social and political institutional, and transportation impacts of heavy rail transit in Atlanta region  
 September 1994 through June 1996
- 17 ***Exurbanization and Residential Location Theory***  
 Federal National Mortgage Association (Fannie Mae)  
 Principal Investigator  
 \$79,034  
 Evaluate socioeconomic and location behavior of exurban households in the context of urban development theory  
 September 1993 through March 1995
- 16 ***Comprehensive Plan and Downtown Urban Design Plan***  
 City of Hahira, Georgia  
 Principal Investigator  
 \$75,000  
 Studio project to create a city and downtown comprehensive plan and urban design plan.  
 September 1994 through December 1995  
***Students won the National Student Project of the Year Award from the American Institute of Certified Planners for 1996.***
- 15 ***Stormwater Facility Financing***  
 City of Atlanta, Georgia Principal Investigator  
 \$80,000  
 Prepare development impact fees consistent with City's growth management objectives  
 May 1993 through September 1993

- 14 ***Financing Water and Sewer Facilities***  
 City of Columbus, Georgia.  
 Principal Investigator  
 \$9,000  
 Develop connection fees for water and sewer facilities. February 1993 through May 1993
- 13 ***Public Facility Financing***  
 City of Atlanta, Georgia  
 Principal Investigator  
 \$370,000 (total among all contractors)  
 Prepare development impact fees consistent with City's growth management objectives  
 August 1992 through April 1993
- 12 ***Revitalization of the Central City***  
 U.S. Department of Housing and Urban Development, National Center for the Revitalization of the  
 Central City  
 Principal Investigator  
 \$44,000  
 Evaluate policy approaches to revitalizing central cities  
 November 1991 through April 1993
- 11 ***Private Financing of Public Facilities***  
 DeKalb County, Georgia  
 Principal Investigator  
 \$84,500  
 Propose development impact fees for roads, libraries, parks, water, and jails  
 May 1991 through December 1992
- 10 ***Financing Water and Sewer Facilities***  
 Glynn County, Georgia  
 Principal Investigator  
 \$5,000  
 Develop connection fees for water and sewer facilities  
 October 1992 through December 1992
- 9 ***Exurban Industrialization***  
 Economic Development Administration, U. S. Department of Commerce  
 Principal Investigator  
 \$114,285  
 Define the new spatial dimensions of manufacturing in the contiguous 48 states; investigation  
 locational and policy implications of continued exurbanization of manufacturing  
 November 1989 through July 1991
- 8 ***Public Facility Financial Analysis***  
 Cobb County, Georgia  
 Principal Investigator  
 \$19,000  
 Propose development impact fees for roads, libraries, parks, water, and jails  
 October 1991 through December 1992

- 7 ***Graduate Cooperative Education Program***  
 Georgia Institute of Technology with collaborating public, private and nonprofit organizations  
 Principal Investigator and Founding Director  
 More than \$1 million since 1990  
 Student placements in paid public, private and non-profit research and engagement assistantships  
 Continuous since 1990
- 6 ***Economic Incidence of Development Impact Fees***  
 Urban Land Institute  
 Principal Investigator  
 \$20,000  
 Evaluate the economic incidence of development impact fees to the extent they are internalized by  
 sellers of undeveloped urban land  
 May 1989 through June 1990
- 5 ***Long-Range Planning Services*** City of Sandersville, Georgia Principal Investigator  
 \$42,165  
 Estimate impacts of growth on land use needs; forecast land use needs; allocate growth to future  
 annexation areas; estimate cost of extending facilities; propose alternative means of financing needs;  
 prepare plans and programs  
 September 1989 through June 1992
- 4 ***Housing Preference and Commuting Patterns of Exurban Households***  
 U. S. Department of Transportation, Portland State University and Georgia Institute of Technology  
 Principal Investigator  
 \$28,000 total between participating universities  
 Survey exurban and suburban households to determine their socioeconomic characteristics, location  
 behavior, and commuting patterns  
 June through September 1989
- 3 ***Airport Industrial Park Study*** City of Kenner, Louisiana Principal Investigator  
 \$2,000 (studio support)  
 Evaluate the impact of New Orleans' airport on neighborhoods and prepare mitigation plans  
 September 1985 through December 1986
- 2 ***Prepare Software Adapting IMPLAN to Microcomputers for Local Economic Development Situations***  
 North Central Regional Center for Rural Development, Iowa State University, Kansas State  
 University Co-Principal Investigator  
 \$52,025  
 Create Lotus-based software to apply IMPLAN to local economic development analysis on PCs  
 September 1985 through December 1986
- 1 ***Preliminary Study of Adapting U.S. Forest Service IMPLAN Model to Local Economic Development Situations***  
 North Central Regional Center for Rural Development, Iowa State University, Kansas State  
 University  
 Co-Principal Investigator  
 \$4,000  
 Explore feasibility of adapting IMPLAN to local economic development analysis on PCs  
 September 1984 through December 1985

## **PROFESSIONAL PRACTICE**

### **Partial List of Public/Non-Profit Advising Engagements - Compensated and Pro Bono *Chief Executives***

Vice President of the United States  
Members of Congress including House Ways and Means Committee  
Governors for Utah, Georgia, Virginia  
Secretary Commerce, State of Louisiana  
Mayor, City of Atlanta, Georgia  
Mayor, City of Salt Lake City, Utah

### ***Federal/National Agencies***

- National Academy of Sciences through the National Research Council and the Transportation Research Board. Research and reports on parking policies and transit use, 1995-97.
- Florida Home Building Association. Expert witness in challenge to school impact fees assessed by Volusia County School District, 1994-97.
- Lincoln Institute of Land Policy. Advising on growth management and development impact fee issues, 1992-present.
- Village of Chardon Ohio. Preparation of wastewater system development charges and expert witness in impact fee litigation, 1995-98.
- Walt Disney Corporation. Evaluation and assessment of growth management policies as they affect the design of Disney's America in the Washington, D.C., area, 1994-95.
- City of Hickory, North Carolina. Preparation of development impact fees for water, wastewater, roads, and parks, 1994-95.
- Gallatin County (Bozeman), Montana. Preparation of impact fees for roads, fire, police, and parks, 1994-97.
- Washoe County (Reno), Nevada. Preparation of alternative transportation facility financing scenarios and policy recommendations, 1994-95.
- State of Florida. State's expert witness in reviewing development guidance documents that fail to comply with state planning and development law, 1989-1997:
- DCA v. Wakulla County (comprehensive plan)
  - DCA v. St. Lucie County (plan amendment)
  - DCA v. Lee County (plan amendment)
  - DCA v. Marion County (comprehensive plan)
  - Florida Association of Realtors et al. v. DCA (second urban sprawl rule challenge)
  - DCA v. Charlotte County (DRI challenge)
  - DCA v. Escambia County (comprehensive plan)
  - DCA v. Walton County (comprehensive plan) DCA v. Alachua County (comprehensive plan)
  - DCA v. Okaloosa County (comprehensive plan)

- Florida/Georgia Venture Group v. City of Ormond Beach (DRI challenge)
- DCA v. Lake County (comprehensive plan)
- DCA v. Indian River County (comprehensive plan)
- DCA v. Leon County (comprehensive plan)
- DCA v. Highlands County (comprehensive plan)
- DCA v. Metropolitan Dade County (plan amendment)
- DCA v. City of Jacksonville (DRI challenge)
- DCA v. Santa Rosa County (comprehensive plan) DCA v. Dixie County (comprehensive plan)
- DCA v. St. Lucie County (comprehensive plan)
- DCA v. Citrus County (comprehensive plan)
- Florida State Home Builders Association v. DCA (first urban sprawl rule challenge)
- DCA v. Lee County (comprehensive plan)
- DCA v. Charlotte County (comprehensive plan)

Home Builders Association of Metropolitan Denver v. Jefferson County, Colorado, expert in school impact fee litigation, 1994-95

City of Atlanta, Georgia, preparation of development impact fees, revised comprehensive plan, revised capital improvement program, 1992-93.

DeKalb County, Georgia, preparation of development impact fees, revised comprehensive plan, revised capital improvement program, 1991-93.

Cobb County, Georgia, preparation of water and wastewater systems capital expansion fees and transportation facility impact fee feasibility study, 1992-93.

City of Roswell, Georgia, preparation of development impact fees, revised comprehensive plan, revised capital improvement program, 1992.

City of Columbus, Georgia, preparation of development impact fees, revised comprehensive plan, revised capital improvement program, 1992-93.

Glynn County, Georgia, preparation of water and wastewater systems capital expansion fees, 1992. State of Florida, Department of Community Affairs, Energy Division. Formulation of new community planning policy under subcontract with Florida Atlantic University, 1992-93.

New Jersey Future, peer review of Rutgers University's Center for Urban Policy Research evaluation of the New Jersey statewide land use plan, 1992.

City of Virginia Beach, technical assistance in development exaction policy. 1991.

Church of Jesus Christ of Latter-Day Saints, regional planning assistance in Kansas City, Missouri. 1991.  
City of Miami and Metropolitan Dade County. Parks and recreation development impact fee program. 1991.

County of Hawaii, State of Hawaii. Review of development impact fee plans for the county. 1990.  
Chesterfield County, Virginia. Development impact fees. 1989-90.

City of Atlanta. Review of Georgia state development impact fee legislation. Preparation of draft model statute. Statute revised in committee and adopted. 1989-90.

John Wieland Homes. Annexation impact assessment study for Peachtree City, Georgia. 1989-90.

Florida League of Cities. Urban sprawl. 1989, 1992.

State of South Carolina Bar Association. Impact fee law and practice. 1988.

City of Warner Robins, Georgia. Water and sewer development impact program design. 1989-90.

Alpharetta, Georgia. Review of planning documents with recommendations to revise pursuant to state law and case law. Revisions to comprehensive land use plan. 1988-92.

Charter Medical of Macon, Georgia: Health facilities service area analysis, 1988.

Twin Cities Region, Minnesota. Created research design to investigate impacts of landfills on land values. Assisted in evaluation of data and results. 1986-1991.

Housing Development Corporation of Washington County, Oregon, 1982-1990:

- Advised on use of federal low-income housing tax credits
- Prepared federal grant and loan package for a 50-unit farm labor housing project
- Coordinated site planning, design and engineering services
- Prepared management plan, operating budget, and rental assistance plan

- Coordinated successful legal challenges to discriminatory housing codes
- Represented the organization in its successful lobbying activities to require that city charter amendments conform to state housing policies
- Coordinated preparation of a 12-unit addition to the farmworker housing project. Commendation for Service, 1984.

Columbia Hills Development Company, 1979 to present. Principal planner for Hillcrest Subdivision, a 1,133-lot antiquated plat that was redesigned into acreage rural residential homesites and large acreage woodlots after six years of negotiation with state and local planning agencies. Services included:

- Co-plaintiff in a constitutional takings case resulting in settlement favorable to the plaintiff.
- Assembling lots not owned by the investors.
- Successful lobbying for statutory and administrative rule changes that made it easier to resolve the problems of antiquated plats on resource lands.
- Successful lobbying for statutory changes in state tax law to make the resolution of antiquated plats on resource lands feasible.
- Preparing restrictive covenants and homeowner association articles and bylaws.
- Coordinating soil testing, geologic surveys, groundwater surveys, road design and construction, utility planning, land and plat surveying, local fiscal and economic impact assessments, and marketing studies.

Principal planner for the Columbia Bend recreational project located along the western shoreline of Puget Island, Washington:

- Prepared master and site plans
- Environmental and socioeconomic impact assessment
- Restrictive covenants
- Market studies
- Negotiated and secured U.S. Army Corps of Engineers Section 404 Permit and State of Washington Department of Ecology Development Permit.

Palo Investments, Inc., 1980-2000

Planning Consultant for Hillhurst Road Project in Ridgefield, Washington:

- Prepared or coordinated site planning options
- Soils surveys
- Market surveys
- Successful title clearing legal appeals
- Negotiations with regional and local planning agencies on land development restrictions.

Financial packager and manager of two executive condominiums in the Johns Landing district of Portland.

Prepared quarter million-dollar commercial loan application. Elected to the project's homeowners' association. Chairman of HOA operations committee, responsible for preparing and implementing management programs.

Principal planner for Clatskanie Valley Homes, a 22-two lot rural residential subdivision in northwest Oregon.

Prepared or coordinated subdivision and residential site plans, soils surveys, land surveys, road design and construction, utility design and construction, restrictive covenants and homeowners' association articles and bylaws, market surveys, state land use planning approvals, financing packages.

Planning consultant for property at Chambers Lake in Olympia, Washington. Provided consulting opinions on land use restrictions, market, development timing, and site planning options.

GrowPac, Inc., Portland, Oregon, 1984-1985:

- Negotiated approval from the Oregon State Department of Economic Development to sell \$4 million in industrial development revenue bonds to expand the firm's processing and marketing activities.
- Prepared and represented firm's applications for conditional use permits, variances, special use permits, and non-farm use permits for fruit processing, storage, and marketing facilities.

Recht Hausrath and Associates, Urban Economists, Oakland, CA, 1978-1985:

- Prepared the "Economic Element" of the Sonoma County Industrial Park Specific Plan Environmental Impact Report
- Prepared the "Economic Impact Element" of an Environmental Impact Report on a comprehensive plan amendment in Nevada County, California
- Assisted in the research and preparation of a memorandum on "Comparative Development Charges of Selected San Francisco Bay Area Jurisdictions" for Mobil Oil Company
- Prepared "Marketing Analysis and Strategy" for NorWest Inc.'s mixed-type housing project in San Jose, California
- Prepared the "Socioeconomic Impact Element" of an Environmental Impact Report on a mixed-use project in downtown Pacific Grove, California
- Assisted in the research and preparation of the "Public Facilities Impact Element" of a Federal Environmental Impact Statement on three casinos proposed for South Lake Tahoe, Nevada
- Planning consultant to Trans West Company, Seattle, 1978-1993. Designed the replat of 320 lot antiquated plat in the Portland metropolitan area. The replatted 35-unit Columbia Acres Subdivision entailed plan and zone changes, legal appeals, statutory changes, and changes in state statutes and administrative rules.

Planning counsel to Black, Helterline, Beck & Rappleyea, Attorneys, Portland, Oregon, 1979-1985.

Provided planning advice on:

- A zone change from agricultural to industrial along the I-5 Freeway between Portland and Salem.
- A replat of a 300-unit PUD in St. Helens, Oregon.
- A zone change from agricultural to intersection commercial along the I-5 Freeway south of Salem.
- A proposed planning policy for industrial development at the mouth of the Columbia River.
- Most statutory changes affecting land use planning and subdivision procedures considered during the 1981, 1983, and 1985 legislative assemblies, including testimony assistance to firm's partners.

Planning consultant to the Oregon Bank, Portland, Oregon, 1983-1984, on land use planning matters relating to their trustee interest in a 3,000-acre ranch along the lower Columbia River.

Planning consultant to the Columbia River People's Utility District, 1983-1984, on land use planning matters relating to their central offices and yards throughout their district.

MRH Properties, a minority business enterprise involved in land development, Portland, Oregon, 1981-1984:

- Principal planner for Tamanawus Subdivision, a 12-unit suburban in-fill housing project
- Principal planner for a 16-unit condominium PUD proposed for Gladstone, Oregon
- Financial and market advisor for a Long Beach, Washington, commercial recreational campground

Advisor on the subdivision procedures involved in replatting an undeveloped suburban subdivision at the edge of the Portland metropolitan area urban growth boundary

Principal planner for Sandpiper Shores, Waldport, Oregon, a residential project on sensitive coastal land, 1981-1983. Prepared/coordinated development plan, site plans (homesite envelopes and view corridors), beach and lake impact mitigation, specialized waste treatment facility design, covenants and association articles and bylaws.

Consulting Planning Director for Durham, Oregon, 1978-1980:

- Retained by the city to prepare a comprehensive plan and implementing codes consistent with an LCDC enforcement order issued as part of Seaman v. City of Durham (a nationally prominent housing policy precedent).
- Received commendations from the Metropolitan Service District Commission and the Oregon Land Conservation and Development Commission.
- Plans included precedent-setting fair share housing and transfer of development right provisions.

- Evaluated development plans and represented the city in several regional and state agency decisions.
- **Recognized for innovative planning** at the conference on Oregon's statewide planning program at Willamette University in 2021.

Consulting planner to Dias Real Estate on a 40,000 square foot office building entailing site planning, market analysis, plan amendment, and zone change in the City of St. Helens, Oregon.

Principal planner for Columbia Towne, a 70-unit project in Columbia City, Oregon, 1980-1982. Designed Oregon's highest density single-family project utilizing modern subsurface sewage disposal systems.

Planning consultant for Rainbow Rock, a 120-unit Planned Unit Development in Brookings, Oregon, 1980-1983. Prepared or coordinated the preparation of a coastal mixed-use project of 120 condominiums and a commercial center entailing geologic surveys, approval by the Oregon

Department of Environmental Quality of a secondary treatment sewer outfall into the Pacific Ocean, approval by Coastal Zone Management agencies, and approval by the Oregon Land Conservation and Development Commission (one of only two coastal projects exempted from LCDC-imposed development moratoria).

Planning consultant for Grandview Manor Village, a 350-unit mobile home park in Redmond, Oregon, 1981-1983. Prepared variance and conditional use permits, socioeconomic impact assessments, and state housing policy opinions on the subject of mobile home parks.

Planning advisor to the City of Redmond, Oregon, 1981. Prepared the Housing, Urbanization and Economic Development elements of the comprehensive plan, which survived opposition by statewide anti-growth organizations and were approved by the Oregon Land Conservation and Development Commission.

Principal planner for Stratford Properties, a mixed-use coastal project in Newport, Oregon, 1981-1983.

- Prepared and coordinated site planning for 375 housing units, a hotel and shopping center, an office building, a sports complex, and site amenities.
- Also prepared view easements, covenants and association documents that are considered among the most innovative along the Oregon coast.
